

HARVESTING **OUR COMMUNITY'S** *TREASURES*

On July 28, 29, and 30, the Stearns County Fair will present a unique opportunity for visitors to express their creative treasures in drawing, writing, and showcasing their unique speaking insights ignited by chosen words of wisdom from captions on bark, and attached to a touring gallery of... **Inner Children From The Trees.**

THE WORKSHOP

Throughout the day interactive programs will be offered, along with resources for visitors to sit down and write their own personal words of wisdom and creative commentaries.
